

Internationally renowned Harpist and long standing friend, Professor David Watkins ([www.davidwatkins.info](http://www.davidwatkins.info)) visits Mary at Rivendell in July 2008. He accompanied her to a concert of Paraguayan harp music at Oxford.

Mary is planning to spend some time working in Paraguay in the near future. The harp is the national emblem of Paraguay. It is very different from the Irish harp. Mary is currently working hard on her Spanish in preparation for her stay in Paraguay.
