	<p>Recently a group of harp students from Oz wanted to buy several copies of TWMH 1-5 and we found the postage alone exorbitant (£70). They suggested I send PDF copies as email attachments. No CDs or Dvd. They could print out their own, as many as they liked. Each in a class could have his or her own copy. They suggested £12 per vol. would be a fair price. For convenience I split each vol. into two PDF files, av 5Mb each. I'll try it for a while.</p>
